Appointment-only testing site at southwest OKC Walmart to bolster local COVID-19 testing

(Oklahoma City) - A new, appointment-only testing site at a Walmart store in southwest Oklahoma City will bolster local COVID-19 testing capabilities for the next month.

The [drive-through Walmart testing site](#), [3301 SW 104th Street](#), opens April 27 and is for people exhibiting coronavirus symptoms, or any health care worker or first responder even without symptoms. The testing criteria at the Walmart site is different from other testing sites in the metro.

To get an appointment at the Walmart testing site:

- Go to [DoINeedaCOVID19test.com](#) (or scroll down to find a QR code)
  - First responders can get appointments without symptoms. Others will be screened for symptoms.
- Appointments are available 9 a.m. to 4 p.m., weather permitting
- Call (800) 635-8611 if you have questions.
- Walk-up testing isn't available.
- When you arrive for your appointment, stay in your car. Your ID and eligibility criteria will be checked while you're in your car, and the test is also taken in the car.
- There's no out-of-pocket cost for the test.

Walmart health care professionals, [eTrueNorth](#) staff and volunteers will staff the testing site. People receiving tests will get a kit to swab their own nose inside their car, observed by trained staff to make sure the sample is taken and handled

Test results are available within about 48 hours. While awaiting results, everyone who is tested should follow [U.S. Centers for Disease Control and Prevention (CDC) guidelines](#) to help prevent further spread of the virus.

Testing is not available inside any Walmart store. There's only one Walmart drive-through testing site in Oklahoma City ([3301 SW 104th Street](#)), and everyone needs an appointment in advance through [DoINeedaCOVID19test.com](#).

The Walmart testing site is being administered with the cooperation of the [Oklahoma City-County Health Department (OCCHD)](#) and [Oklahoma State Department of Health (OSDH)](#). It can process about 200 tests per day.

Other testing in the OKC metro

The Walmart drive-thru testing site is the newest COVID-19 testing site in the Oklahoma City area, but there are other ways to get a test. OCCHD is also testing people using procedures already in place.

You can seek medical attention through your health care provider, which may refer you for testing.

You may also seek testing through OCCHD without a medical referral if you meet certain guidelines. The testing is available with or without health insurance. Testing is by appointment only. To schedule an appointment without a referral, call the OCCHD triage line at (405) 425-4489 from 8 a.m. to 4:30 p.m. weekdays.
