

Students at OCCHD

Students are vital to the mission of the OKC-County Health Department (OCCHD). We offer internship opportunities for both clinical and non-clinical students.

STUDENTS AT OCCHD

Students are vital to the mission of the OKC-County Health Department (OCCHD). We offer internship opportunities for both clinical and non-clinical students.

Requirements for OCCHD Internships:

- **Clinical Students:** Must be enrolled in an approved college or university in Oklahoma County.
- **Non-Clinical Students:** Must reside in Oklahoma County.
- Be in good standing with their school.
- Follow OCCHD policies, security, and confidentiality procedures.
- Authorize information sharing between OCCHD and their school.

Note: Clinical internships require a completed Memorandum of Agreement (MOA) between OCCHD and the school, which may take up to 6 weeks to process.

GETTING STARTED

FOR NON-CLINICAL STUDENTS:

1. Request an application by emailing studentliaison@occhd.org.
 - Submit request
 - Immunization record (including Hepatitis B)
 - TB test results (within the last year)
 - Signed OCCHD forms: Code of Ethics, Confidentiality Statement, and User Agreement

Students are responsible for background check and TB test costs. Once all documents are received, placement will be coordinated.

FOR NURSING STUDENTS:

1. Work with your school advisor to apply.
2. Your school will submit required documents on your behalf, including:
 - OSBI background check
 - Immunization and TB test records
 - Bloodborne pathogen and HIPAA privacy training
 - CPR certification and licensure

For questions or to start your application, contact studentliaison@occhd.org.
